

IMC Club Monthly Meeting

This is the monthly meeting of the Louisville IMC Club. Michael Kussatz, the Regional Aviation Sales Manager from Garmin will be speaking. He plans to bring some of his equipment for a show and tell. This will be a good time to find out what's going on in the world of Garmin. They have just released several new products and I'm hoping that he brings some of them to show us.

Directions: The Aero Club is on the field at KLOU. Enter the building at the main double doors. Turn left into the conference room.
